 - a. If a player is registered on more than one team within the league, they may only play for one team in the playoffs.

- b. 6 innings or 55 minutes with no new inning once 50 minutes has elapsed
2. Home and Away teams will be determined by the ancient game of Rock, Paper, Scissors before the game between each team's captain. Best 1 out of 1 on SHOOT! The Home team will be in the field first.
3. Regular Season Games can end in a tie. Playoff games will continue until a winner is decided.
 - a. Championship games will play the full inning amount as time allows.

// Outs

1. Strike Out
 - a. **Traditional:** A count of 3 strikes OR 3 fouls. Strikes and fouls are counted separately.
 - b. **Alternate:** A count of 3 strikes/fouls. Strikes and fouls are counted together.
 - c. **PHX Fray:** No strikes will be called.
2. Fielded Out
 - a. Any pitched ball contacting the Kicker (whether kicked or not) and caught in the air prior to touching the ground.
 - b. Any time during a live play where the ball makes contact with a Baserunner while not on base.
 - i. If any part of a thrown ball makes contact with the Baserunner's head while the Baserunner is not diving, sliding, or ducking, the Baserunner shall be awarded the base to which they were running.
 - c. Any time a Fielder has control of the ball and touches a base to which a Baserunner is forced prior to the Baserunner reaching the base.
3. Baserunning Out

 - c. Baserunner not on base when the ball is kicked.
 - d. Baserunner who passes another Baserunner.
 - e. Baserunner who is physically assisted by any team member.

- f. **Alternate:** Baserunner not immediately advancing to 2nd base fails to use the safety base with a Fielder present.

// Kicking

1. All kicks must be made by foot or by leg below the knee.
 - a. **Bunt Line:** A bunt line may be used. All kicks must travel past the 20ft-marked kicking line. Any kick fielded inside this zone will be ruled a foul ball.
2. All kicks must occur at or behind home plate. No part of the kicker's plant foot may be in front of the plate.
3. Double Kicks are when a kicker contacts the ball 2 or more times during an attempt to kick the ball. This results in a foul ball.
4. Teams must kick in their written kicking order. Kicking out of order results in an out for the spot in the order that was due up according to the written lineup. The kicking lineup will continue to the next spot in the lineup.
 - a. **PHX Fray Alternate:** No more than two men can kick in a row!
 - b. **PHX Fray Alternate:** Teams are REQUIRED to provide a written kicking lineup to the head referee and the captain of the other team.
5. **Glow:** Kickers must begin and end their kick in a stationary spot behind home plate. Both full kicks (with the intent to blast the ball to infinity and beyond) and bunts are not permitted. This is to protect kickers, base runners, and fielders.

// Fair Ball

1. A legally kicked ball that lands in fair territory or in the Catcher's Zone in front of the kicker and remains in fair territory until it passes the 1st base or 3rd base cone or completely stops in fair territory.
2. A legally kicked ball that lands in fair territory beyond the 1st base or 3rd base.
3. A legally kicked ball that lands in fair territory or in the Catcher's Zone, and touches or is touched by a Fielder or Baserunner in fair territory prior to the ball traveling into foul territory.
4. A legally kicked fly ball that is in fair territory when it is touched by a Fielder or Baserunner.

// Strikes

1. The strike zone is 41 inches wide (1 foot to either side of home plate) and approximately 1 foot high as measured from the bottom of the ball to home plate. If any part of the ball touches any part of the strike zone, it is a strike.
2. Any attempted bunt or kick that does not make contact with the ball (swing and a miss).
3. **PHX Fray Alternate:** No strikes will be counted against the kicker.
 - a. The head referee will begin counting strikes should a kicker take too long to kick a pitch.

// Balls

1. Any pitch that is not a strike or foul. Four (4) balls is a walk.
2. Any time a Catcher makes contact with a pitched ball before the ball has traveled past the Kicker whether or not the Kicker was intending to kick it.
3. A Pitcher may intentionally walk a kicker by informing the Head Referee before throwing any pitches. A Pitcher is not required to throw any pitches to intentionally walk a kicker.
4. **PHX Fray Alternate:** Balls will not be counted against the kicker.
 - a. The head referee will begin counting balls should a kicker take too long to kick a pitch.

// Fouls

1. Any bunt or kick that lands in foul territory outside of the Catcher's Zone.
 - a. **Bunt Line:** Any kick that lands in the no-bunt area and does not travel in fair territory beyond the 20-foot kick line.
2. Any kick during which the kicker steps in front of the Home Plate.
3. Double Kicks: When a kicker contacts the ball 2 or more times during an attempted kick
4. Any kick that does not occur below the knee.
5. Any legally kicked ball that lands or is touched by a Fielder in foul territory or in the Catcher's Zone.

// Baserunning

1. Baserunners may not lead off or steal bases.

2. Baserunners may not run more than 4 feet outside of the baseline.
3. Baserunners have the right-of-way within the baseline unless a Fielder is making a play on a fair ball in the baseline. In that instance, the Fielder has the right-of-way.
 - a. In rare circumstances, a Baserunner and Fielder in the act of making a play on the ball may collide due to Baserunner/Fielder movement. It is up to the discretion of the Head Referee whether to call the Baserunner out for interference or declare the contact as incidental and allow the play to stand.
4. Baserunners may overrun 1st base as long as they continue their run into foul territory. If a Baserunner turns towards 2nd base as if attempting to advance, they are in play and may be tagged out.
5. Baserunners may be substituted by players of the same gender if the runner is injured during the play. The injured player must then sit out of the game for 2 innings. If their spot in the kicking order comes up, their spot is skipped.
6. In order to advance on a caught fly ball, Baserunners must 'tag-up' on their original base at or subsequent to the Fielder's first contact with the ball. Failure to tag up allows the defense to make an out by either tagging the runner with the ball before they return to the original base or by a Fielder in control of the ball touching the original base before the runner returns to it.
 - a. Failure to tag up is not an automatic out. The defense recognizes the failure and makes a play to get the runner out.
7. If a Baserunner passes another Baserunner, the passing runner is out.
8. If a Baserunner is assisted by any other team member, the runner is out.
9. Once the Pitcher has the ball in the Pitcher's Circle, all Baserunners must stop at the base they are running toward unless the Pitcher, subsequent to receiving the ball, attempts to make a play on a runner.
10. Sliding ***is not allowed***. The baserunner will be called out!

// Pitching

1. A Pitcher may deliver the pitch within the pitcher's circle (12ft. radius around the pitching strip) and behind the 1st base/3rd baseline.
2. A pitched ball must touch the ground at least twice prior to reaching the plate.
3. **Traditional:** Pitchers must throw the ball by hand in an underhanded manner. Overhand and/or sidearm pitching are not allowed.

4. **Alternate:** Pitchers must throw the ball by hand. Underhand, overhand, and/or sidearm pitching are permitted.
5. **Glow:** Pitchers must throw the ball by hand in an underhanded manner at a reasonable speed. Fast pitching is not permitted.

// Catching

1. Teams may have only 1 catcher while on defense that stands behind the kicker within the Catching Zone
2. Catchers may not cross in front of the kicker nor be positioned outside the Catcher's Zone until the ball is kicked.
3. If the Catcher impedes the kicker intentionally or unintentionally, the Kicker will be awarded 1st base and any runner's advance if forced.
 - a. If, in the Head Referee's opinion, the Kicker makes an unnatural move and initiates contact in an attempt to draw a Catcher Interference call, the Kicker shall be called out.

// Fielding

1. All fielders with the exception of Catcher must be positioned in fair territory.
2. No fielder may cross the 1st base/3rd baseline until the ball is kicked.
3. Fielders may not stand within the baseline unless making an active play on the ball. Interference with a Baserunner results in the runner being awarded the base they were running to.
4. **Glow:** Because the ball we are playing with is smaller and harder than a normal kickball, Fielders must throw the ball with BOTH hands. Balls may still be thrown at baserunners to get them out, just be mindful of the ball. This is to protect kickers, baserunners, and fielders.

// Encroachment

1. Pitcher's Encroachment occurs when a pitcher crosses the 1st base/3rd base line before the ball is kicked. The Kicking Team has the option of taking the result of the play or taking a ball in the count.
2. Catcher's Encroachment occurs when the catcher crosses in front of the kicker or is positioned outside the Catcher's Zone, prior to the ball being kicked. The Kicking Team has the option of taking the result of the play or taking a ball in the count.

3. Fielder's Encroachment occurs when any non-pitcher crosses the 1st base/3rd base line before the ball is kicked. The Kicking Team has the option of taking the result of the play or taking a ball in the count.

// Overthrows

1. An Overthrow is considered any attempt at a base or Baserunner that misses its intended target and goes into foul territory.
2. An Overthrow allows a Baserunner to advance up to 1 base beyond the base they were running toward when the ball traveled into foul territory.
 - a. If the defense attempts to make a play on the Baserunner while advancing after an overthrow, all Baserunners may attempt to advance as many bases as they choose. It is up to the Head Referee's discretion as to what constitutes the defense 'making a play' on the runner.
 - b. If a ball is thrown at a Baserunner and contacts that runner while not on base and deflects into foul territory, the runner is out and the ball is live. All other Baserunners may attempt to advance as many bases as they choose.
3. If an overthrown ball becomes trapped in any object or a Fielder faces an impediment in getting to the ball, the Head Referee may, for player safety, enforce an Overthrow without allowing the defense to attempt a play.

// Dead Ball Plays

1. If a Baserunner intentionally touches the ball, the runner is out, the play is dead, and any other Baserunners must return to the base they were on at the beginning of the play.
2. If a fair ball becomes trapped in any object or a Fielder faces an impediment in getting to the ball, the runner shall be awarded a ground-rule double, and all other Baserunners may advance 2 bases beyond the base they began the play on.
3. In any play where a potentially serious injury occurs, play will be stopped by the Head Referee immediately.

// Officials

1. We know umpires/referees are essential to a kickball game. Each of our leagues varies on required reffing, so be sure to check the league information provided on our website.

// GOLDEN RULE

First and foremost, all Fray leagues are 50% Social and 50% Sport. While we have staff // officials, we expect individuals to respect the league's culture of fair and fun play. Foul language and rough play will not be tolerated. Individuals who cannot adhere to our standards of fair play and sportsmanship may be asked to leave the league. We want everyone to have fun and be social while enjoying a great sport. We will do whatever we can to make sure all players are having fun!

PHX Fray Alternate rules have been designed to further accommodate our mission to have fun, be social and make fun possible. We are not a competitive league by any means. We will frequently get new players and new teams that have never played or haven't played since they were kids. Players join PHX Fray to have fun and be social not to be slaughtered by the opposing team. In an effort to keep the playing field as fun and fair as possible, we've adopted an alternative way of play.

// GENERAL POLICIES

Fray is proud to relieve captains of the burden of paying for full teams. We accept individual player payments and allow prepayment for additional players and/or full teams. We are also proud to welcome those who do not have a full team (small groups and free agents) to participate in our league.

Because our mission is to make fun possible, these policies make it easier for people to get involved with and build community through social sports.

All registrations are on a first come, first serve basis. Any roster that does not reach our official size (based on each sport) is eligible to receive free agents and/or small groups. Rosters made up of primarily free agents and/or a collection of small groups may have more players than the standard roster size. This policy is in place to help ensure free agent teams are able to consistently field a team each week.

6. **Mercy Rule:** If there is a twelve (12) run difference at the end of the 4th inning or at the end of any full inning thereafter, the losing team may opt to end the game. If the losing team chooses to continue playing, the game will end exactly when time expires, even if time expires in the middle of an inning.
 - a. **PHX Fray Alternate:** If a team is leading by ten (10) runs, silly rules shall be in effect. The head ref will then apply a ***silly rule*** for the leading team, until the opposing team gains enough points to not be behind by 10 runs.

- b. **PHX Fray Alternate:** Silly Rule is a rule the head umpire creates to help slow the game to allow the other team to catch up in runs. This rule only applies when the leading team is kicking.
 - i. For example: 10-0,11-1,12-2, etc - **silly rule:** Kick with opposite foot with drink in hand, or just kick with opposite foot.
7. Teams must designate a captain prior to the start of the game. **They are the only team members allowed to discuss calls with officials.** Judgement calls by an official may not be disputed.

// Field Set Up, Equipment, Uniforms & Facility Use

1. The field will consist of a diamond of equal sides. Bases are placed 60 ft. apart. The pitching strip is placed in the center of the diamond directly in line with 1st-3rd base and home-2nd base, or 42.42 ft from home plate. The Kicker's Box is a 12 ft. by 12 ft. square. The home plate should be in the middle of the top boundary line of the box.
 - a. **Bunt Line:** A bunt line may be used. Cones will be placed in a half-moon shape across the infield 20 feet in front of home plate.
2. Safety bases are used to prevent collisions between baserunners and fielders.
 - a. **First base:** A safety base at first base will always be used such that 1 base is in fair territory and 1 base is in foul territory. The base in fair territory is for the fielder and runner already on 1st base. The base in foul territory is for the kicker to run to.
 - b. **Home Plate:** A safety home plate may be used. The defensive player must play the ball on the safety home plate which is located in front of the offensive or normal home plate. The runner will run through the offensive home plate.
 - i. There is no contact and/or tagging the runner at home plate. If contact is made, the runner is automatically declared safe.
 - ii. Any runner that touches the safety home plate will automatically be declared out.
3. All equipment will be provided on-site.
4. All players must wear the official Fray division shirt in order to play.
5. Metal cleats are not permitted.

// Playoffs & Standings

1. Playoffs are determined after the regular season has concluded and are based on scheduling and other league logistics. Playoffs are not guaranteed.
2. Standings are automatically sorted in Commish based on teams' Win-Loss-Tie record. If there is a tie in the standings, we sort based on the following information in order until the tie is resolved:
 - a. Head-to-head matchups

 - c. Points For
 - d. Points Against

// Forfeits

2. All players will be notified via email if games are canceled
3. If more than one weather cancellation occurs, Fray will try to find another week if possible to make up the games, but it is not guaranteed.
4. Should inclement weather or other factors limit normal scheduled game duration and more than half the game has been played, the game shall count as the full game.
